Attached please find a complaint alleging retaliatory and intimidating actions filed on behalf of Complainants in EPA Case No. 12R-13-R4 pursuant to Title VI of the Civil Rights Act of 1964 and EPA regulations against the Alabama Department of Environmental Management (ADEM).

As you may be aware, Complainants have and continue to face an extraordinary level of hostility in Uniontown. Far from providing any protection from the interference with the exercise of their civil rights, ADEM disclaims any responsibility outside of what it considers to be the four corners of its permit. Though Uniontown is located only approximately thirty miles from Selma, the cradle of the Civil Rights Movement, the experiences of Complainants demonstrate the continuing legacy of racial inequality.

Many thanks for your attention.

Please let me know if this complaint raises any question or if and when it would be helpful to provide any additional information.

Sincerely,

Marianne
